RE: NCTS Final Technical Report

Wilbur Smith Associates is pleased to submit the North Country Transportation Study Final Technical Report. The report discusses an evaluation of the North Country region's transportation requirements associated with the economic development needs of the region.

We would like to thank the North Country Transportation Study Advisory Committee, the Development Authority of the North Country, and the New York State Department of Transportation for their contributions to this important undertaking.

Respectfully submitted,

Wilbur Smith Associates

Arno Hart
Project Manager
