Article 1. - Statement of Authority. The Town Board of the Town of Lyme, pursuant to the authority granted it under Article 16 of the Town Law and Sections 10 and 20 of the Municipal Home Rule Law of the State of New York, hereby enacts as follows:

Article 2. - Statement of Purpose and Findings. The Town Board of the Town of Lyme has been made aware of interest in Wind Power Generating Facilities desiring to locate in the area. At the same time, the Town Board is aware that there have been complaints and questions about the establishment of Wind Power Generating Facilities being located in the area. Currently, the Town of Lyme Code does not contain provisions for regulation of such facilities. Presently the Town Board has established a six month moratorium to study these issues and adopt regulations. The Town Board has made progress and some additional time is needed to implement the same. It is the purpose of this local law to extend the moratorium for an additional period until January 31, 2008 on applications or proceedings of applications for Wind Power Generating facilities allow the Town Board to consider and implement sufficient regulations.
