as follows:

Article 1. - Statement of Authority. The Town Board of the Town of Lyme, pursuant to the authority granted it under Article 16 of the Town Law and Section 10 of the Municipal Home Rule Law of the State of New York, hereby enacts as follows:

Article 2. - Findings and Purpose. The Town Board of the Town of Lyme has previously enacted a zoning ordinance which in Section 415 allows for a Floating Planned Development Overlay District. An application has been received for a project known as Sportsmen's Hideaway Charters to be located off County Route 179 in the Town of Lyme on 15.4 acres, which property is now or previously owned by Gerald Kitzi, Thomas Kitzi, and Debra Slafer, pursuant to deeds dated July 20, 1986 and July 21, 1986 and recorded in the Jefferson County Clerk's Office at Liber 1034 of Deeds at Page 59 and Liber 1031 at Page 150 respectively. The Town Board has determined that such project is in accordance with the requirements of Section 415 of the Zoning Law of the Town of Lyme and is consistent with the comprehensive plan for the Town. It is the purpose of this local law to create Planned Development District No. 2 on the aforesaid property subject to certain conditions.

(If additional space is needed, attach pages the same size as this sheet, and number each.)

Article 3. - Enactment. The Town Board of the Town of Lyme hereby amends the Zoning Ordinance of the Town of Lyme known as Local Law No. 1 of the year 1989 as amended by Local Law No. 3 of 1989 by creation of a new Section 425 to be known as Planned Development District No. 2 as follows:

Section 425 - Planned Development District No. 2 -
"Sportsmen's Hideaway Charters"

- a) Area Included. The Planned Development District No. 2 shall include 10.3 acres of land bordered on the west by the Chaumont River and on the east by County Route 179 and known as lands now or formerly of Gerald Kitzi, Thomas Kitzi, and Debra Slafer, pursuant to deeds dated July 20, 1986 and July 21, 1986 and recorded in the Jefferson County Clerk's Office at Liber 1034 of Deeds at Page 59 and Liber 1031 at Page 150 respectively, known as Town of Lyme tax map parcels 52.09-1-10, 52.09-1-11, and 52.09-1-12.
- b) Project Scope. The project shall be in accordance with the narrative and map submitted to the Town Board and shall include the following:
 - 15.4 acres on which may be developed up to 14 recreational vehicle sites and 20 tent sites, together with a pavilion, parking area, boat storage and docking area, and bath house clustered off of private roads and serviced by private water and sewer facilities. Ownership of all open spaces, roads, water and sewer services, and any other infrastructure improvements in common areas shall be under the control and ownership of the owners. All construction is subject to special permit.
- c) Other Approvals. Prior to commencing any construction of the Planned Development District, the owner must obtain Special Use Permit approval from the Zoning Board of Appeals of the Town of Lyme.
 - 3) Flood hazard development permit from the Town of Lyme.
 - 4) Sewage system/SPDES permit from the New York State Department of Environmental Conservation.
 - 5) Water supply/water system permit from the New York State Department of Health.

- 6) Highway right of way approval from the County Highway Department.
 - 7) Permit for construction in navigable waters from the United States Army Corps of Engineers.
 - 8) Such other and further permits as may be applicable by other agencies, including further review by the Jefferson County Planning Board pursuant to Section 239-m of the General Municipal Law.
- d) Special Conditions. The Zoning Board of Appeals in reviewing any project in Planned Development District No. 2 for a special permit shall consider and provided for the following specific conditions and items:
- 1) Roads.
 - a) Width. Road width should be a minimum of 35 feet for a length of 200 feet from County Route 179 on any access road into the project. Further requirements should be reviewed with the Jefferson County Highway Department.
 - b) Road width within the project should be designed to assure access for emergency vehicles.
 - c) Roads within the project may be paved if found to be appropriate by the Zoning Board of Appeals. Such paving however, may be phased to coincide with development of the project as the Zoning Board of Appeals shall direct.
 - 2) Drainage. The Zoning Board of Appeals shall specifically require that a drainage plan be provided and that a drainage study be provided to show how surface water runoff will be handled. Specific attention should be given to how such surface water drainage may affect the road system within the project. All drainage facilities should be designed to minimize erosion and discharge of particulate matter into the Chaumont River.

- 3) Noise. The Zoning Board of Appeals shall determine what is appropriate buffering along the southerly boundary of the project, including evergreen barriers if appropriate along such boundary. A landscaping plan and time table for planting must be submitted and approved by the Zoning Board of Appeals.
- 4) The Zoning Board of Appeals shall consider what provisions must be made for fire protection to adequately service the project.
- 5) Other. The Zoning Board of Appeals may also consider such other factors as it deems appropriate, including potential impacts of the project upon wetland areas and wild life habitats.

Article 4. - Severability. If any part of this Chapter shall be found to be void, voidable, or unenforceable for any reason whatsoever, it shall not affect the validity or enforceability of any remaining section or provision of this Chapter.

Article 5. - Effective Date. This local law shall take effect immediately upon filing with the Secretary of State.
