

North Country Value-Added Agriculture Revolving Loan Program

This revolving loan fund was created in 2014 with \$1 million in New York State funds from the North Country Regional Economic Development Council to improve productivity and crop yields in order to increase the number of value-added agricultural products available to be sent to market. Covers Jefferson, Lewis, St. Lawrence, Franklin, Clinton, Essex and Hamilton counties. Fund is administered by the Development Authority on behalf of the North Country Regional Economic Development Council.
