Ms. Jennifer Staples
Chief Financial Officer
The Board of Directors
Development Authority of the North Country
317 Washington Street, Suite 414
Watertown, New York 13601

Dear Ms. Staples:

We are pleased to confirm our understanding of the services we are to provide for the Development Authority of the North Country (the Authority) for the year ending March 31, 2025.

Audit Scope and Objectives

We will audit the financial statements, including the disclosures, which collectively comprise the basic financial statements, as well as compliance with Section 2935(3)(f) of the New York State Public Authorities Law, of the Authority as of and for the year ending March 31, 2025. Accounting principles generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the Authority's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Authority's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis
- 2) Schedule of Changes in Total OPEB Liability and Related Ratios
- 3) Schedule of the Authority's Proportionate Share of the Net Pension Asset/Liability
- 4) Schedule of the Authority's Pension Contributions

We have also been engaged to report on supplementary information other than RSI that accompanies the Authority's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditors' report on the financial statements.

- 1) Schedule of Expenditures of Federal Awards
- 2) Schedule of Revenue, Expenses and Changes in Net Position by Department
- 3) Schedule of North Country Economic Development Fund Activity

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditors' report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditors' Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Authority or to acts by management or employees acting on behalf of the Authority. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have identified the following significant risks of material misstatement as part of our audit planning:

- Management override of controls
- Improper revenue recognition

Note that planning has not concluded and modifications may be made.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers. Third-party service providers will be limited to Valles Vendiola, LLP, Kristie M. Beach, CPAs, PLLC, and RJ Williams Group, CPAs, PLLC.

Our audit of financial statements does not relieve you of your responsibilities.

Audit Procedures—Internal Control

We will obtain an understanding of the Authority and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Authority's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the Authority's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the Authority's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with GAAP; and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us; for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers); and for the evaluation of whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for the 12 months after the financial statements date or shortly thereafter (for example, within an additional three months if currently known). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the Authority from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Authority involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Authority received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the Authority complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Other Services

We will assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the Authority in conformity with GAAP and the Uniform Guidance based on information provided by you. We will also provide assistance with new accounting standards. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, the schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the Federal Audit Clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditors' reports or nine months after the end of the audit period.

We will provide copies of our reports to the Authority; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of EFPR Group, CPAs, PLLC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a cognizant or oversight agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of EFPR Group, CPAs, PLLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the cognizant or oversight agency. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Thomas E. Smith is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. Douglas E. Zimmerman is the concurring, technical review partner.

Our fees for these services will be as stated in our proposal dated September 20, 2023, as follows:

Financial statement audit	\$ 42,200
Single audit	<u>6,500</u>
Total	\$ <u>48,700</u>

Additional non-attest services, including assistance with Governmental Accounting Standards Board Statement No. 96 - "Subscription-Based Information Technology Arrangements" and Statement No. 87 - "Leases," will be billed as follows:

Partner	\$ 300
Supervisor	150
Senior accountant	130
Staff accountant	<u>110</u>

You agree that any dispute (other than our efforts to collect an outstanding invoice) that may arise regarding the meaning, performance or enforcement of this engagement or any prior engagement that we have performed for you, will, prior to resorting to litigation, be submitted to mediation, and that the parties will engage in the mediation process in good faith once a written request to mediate has been given by any party to the engagement. Any mediation initiated as a result of this engagement shall be administered within the County of Jefferson and State of New York by NAM (National Arbitration and Mediation Inc.), according to its mediation rules, and any ensuing litigation shall be conducted within said county, according to New York State law. The results of any such mediation shall be binding only upon agreement of each party to be bound. The costs of any mediation proceeding shall be shared equally by the participating parties.

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our peer review report accompanies this letter.

Reporting

We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Board of Directors of the Development Authority of the North Country. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditors' report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

REPORT ON THE FIRM'S SYSTEM OF QUALITY CONTROL

May 25, 2023

To the Partners of EFPR Group LLP
and the National Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of EFPR Group LLP (the firm) in effect for the year ended November 30, 2022. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with the requirements of applicable professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act and audits of employee benefit plans.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of EFPR Group LLP, in effect for the year ended November 30, 2022, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*; *pass with deficiency(ies)* or *fail*. EFPR Group LLP has received a peer review rating of *pass*.

Ms. Jennifer Staples
Chief Financial Officer
The Board of Directors
Development Authority of the North Country
317 Washington Street, Suite 414
Watertown, New York 13601

Dear Ms. Staples:

We are pleased to confirm our understanding of the terms of our engagement and the nature and limitations of the services we are to provide for Development Authority of the North Country (the Authority).

We will apply the procedures described in the attachment to this letter to the Regional Waterline Capital and Operating Reserve Funding Analysis of the Authority for the year ending March 31, 2025. By signing this engagement letter, you agree to those procedures and acknowledge that the procedures to be performed are appropriate for the intended purpose of the engagement, which is to evaluate the Regional Waterline Capital and Operating Reserve Funding Analysis. We understand this engagement is not required pursuant to law, regulation, or contract. Our engagement to apply agreed-upon procedures will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants (AICPA). Those standards require that we obtain your written agreement to the procedures to be applied and your acknowledgment that those procedures are appropriate for the intended purpose of the engagement, as described in this letter. A refusal to provide such agreement and acknowledgment will result in our withdrawal from the engagement. No other parties will be requested to agree to the procedures and acknowledge that the procedures performed are appropriate for their purposes. We make no representation that the procedures we will perform are appropriate for the intended purpose of the engagement or for any other purpose.

Because the agreed-upon procedures do not constitute an examination or review, we will not express an opinion or conclusion on the Regional Waterline Capital and Operating Reserve Funding Analysis. In addition, we have no obligation to perform any procedures beyond those to which you agree.

We will issue a written report upon completion of our engagement that lists the procedures performed and our findings. Our report will be addressed to the Board of Directors. If we encounter restrictions in performing our procedures, we will discuss the matter with you. If we determine the restrictions are appropriate we will disclose the restrictions in our report. Our report will contain a paragraph indicating that had we performed additional procedures, other matters might have come to our attention that would have been reported to you. Our report is not expected to be restricted to the use of specified parties.

There may exist circumstances that, in our professional judgment, will require we withdraw from the engagement. Such circumstances include the following:

- You refuse to provide written agreement to the procedures and acknowledge that they are appropriate for the intended purpose of the engagement.
- You fail to provide requested written representations, or we conclude that there is sufficient doubt about the competence, integrity, ethical values, or diligence of those providing the written representations, or we conclude that the written representations provided are otherwise not reliable.
- We determine that the description of the procedures performed or the corresponding findings are misleading in the circumstances of the engagement.
- We determine that restrictions on the performance of procedures are not appropriate.

An agreed-upon procedures engagement is not designed to detect instances of fraud or noncompliance with laws or regulations; however, should any such matters come to our attention, we will communicate them in accordance with professional standards and applicable law. In addition, if, in connection with this engagement, matters come to our attention that contradict the Regional Waterline Capital and Operating Reserve Funding Analysis, we will communicate such matters to you.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers. Third-party service providers will be limited to Valles Vendiola, LLP, Kristie M. Beach, CPAs, PLLC, and RJ Williams Group, CPAs, PLLC.

You agree to the procedures to be performed and acknowledge that they are appropriate for the intended purpose of the engagement.

You are responsible for the Regional Waterline Capital and Operating Reserve Funding Analysis. In addition, you are responsible for providing us with (1) access to all information of which you or the appropriate party are aware that is relevant to the performance of the agreed-upon procedures on the subject matter, (2) additional information that we may request from the appropriate party for the purpose of performing the agreed-upon procedures, and (3) unrestricted access to persons within the entity from whom we determine it necessary to obtain evidence relating to performing those procedures.

At the conclusion of our engagement, we will require certain written representations in the form of a representation letter from management that, among other things, will confirm management's responsibility for the Regional Waterline Capital and Operating Reserve Funding Analysis in accordance with attestation standards established by the AICPA.

Thomas E. Smith is the partner assigned to the engagement and is responsible for supervising the engagement and signing the report. Douglas E. Zimmerman is the concurring, technical review partner.

Our fee for these services will be \$4,200, as stated in our proposal dated September 20, 2023.

You agree to hold us harmless and to release, indemnify, and defend us from any liability or costs, including attorney's fees, resulting from knowing misrepresentations to us.

You agree that any dispute (other than our efforts to collect an outstanding invoice) that may arise regarding the meaning, performance or enforcement of this engagement or any prior engagement that we have performed for you, will, prior to resorting to litigation, be submitted to mediation, and that the parties will engage in the mediation process in good faith once a written request to mediate has been given by any party to the engagement. Any mediation initiated as a result of this engagement shall be administered within the County of Jefferson and State of New York by NAM (National Arbitration and Mediation Inc.), according to its mediation rules, and any ensuing litigation shall be conducted within said county, according to New York State law. The results of any such mediation shall be binding only upon agreement of each party to be bound. The costs of any mediation proceeding shall be shared equally by the participating parties.

We appreciate the opportunity to assist you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us. If the need for additional procedures arises, or the procedures need to be modified, our agreement with you will need to be revised. It is customary for us to enumerate these revisions in an addendum to this letter. If additional specified parties of the report are added, we may require that they acknowledge in writing their agreement with the procedures performed, or to be performed, and their acknowledgment that the procedures are appropriate for their purposes.

Very truly yours,

RESPONSE:

This letter correctly sets forth the understanding of the Development Authority of the North Country

By: Jennifer Staples

Title: Chief Financial Officer

Date: 03/24/2025

Development Authority of the North Country

Schedule of Agreed-Upon Procedures

Regional Waterline Capital and Operating Reserve Funding Analysis

1. We will obtain the Regional Waterline Capital and Operating Reserve Funding Analysis for the year ending March 31, 2025.
2. We will recalculate the revenue (billings) recognized in the Regional Waterline Capital and Operating Reserve Funding Analysis in total. For the capital component, we will compare fixed costs per customer to the fixed rates approved in the Board minutes and published by the Authority for the year. For the operating component, we will multiply the water flows for the year by the per gallon rate approved in the Board minutes published by the Authority.
3. For six customers on the Regional Waterline, we will obtain the quarterly billings for the period April 2024 through March 2025. We will trace the water flows charged to the customer on the related billing document to the water flow logs. We will recalculate the mathematical accuracy of the billing.
4. We will obtain the detail of expenses for the Regional Waterline. We will select a sample of 20 expenses charged to the Regional Waterline and obtain the related invoices to determine whether the expenses was an expense of the Regional Waterline.
5. We will inspect the principal payments made on the Regional Waterline debt for the year ending March 31, 2025 and agree the total principal payments to the Regional Waterline Capital and Operating Reserve Funding Analysis.
6. We will inspect the interest payments made on the Regional Waterline debt for the year ending March 31, 2025 and agree total interest payments to the Regional Waterline Capital and Operating Reserve Funding Analysis.
7. We will reconcile Regional Waterline capital costs to the fixed asset records of the Authority.
